The Education You Want The Attention You Deserve.

Prospectus

Introduction

The School is established to bring world class education to the neighbourhood with state of the art infrastructure and faculty which would cater to the holistic needs of the pupil and enable them to explore new dimension in learning.

Managed and administered by St. Francis Xavier Social Welfare and Educational Society under the mentor ship of our Founder Chairman Mr. S. Chandra and progressive vision of Mr. Abhishek Aditya (Director) St. Xavier's School is committed to the holistic development of each child through an academic program which enhances learning by putting the child at the center of the program. The members of teaching staff handpicked from different parts of the country are committed to support the children beyond the classroom setting.

Mission

Our mission is to develop as a centre for excellence in education as per international standards, with stress on the simultaneous development of body, mind, and spirit and endeavour to create responsible and innovative global citizens. We are here to inspire the children to excel globally by providing a rigorous and comprehensive education within a nurturing, student-centered environment.

Vision

At St. Xavier's School, we are committed to prepare the learners as true global citizens who could excel in a diverse and multicultural society. Here we are determined to provide extraordinary learning opportunities for the globally connected student, a nurturing environment, an international set up, and a culturally diverse community to facilitate exceptional achievements.

“
The only way to keep
your child smiling for life
is to give him good education!”

From the desk of Chairman

In this ever changing world, we seldom think rationally and the result being that we are always the last passengers to board the flight! We speak of modernisation and think proudly to be in the 21 st century never giving a second thought whether we are in tune with the changes, in fact we are too bold to accept the fact that there is still so much to learn, We have to make strong commitments to remove our mistakes and accept reality. It is only then that our society and our country will be put into gear to surpass the present ups and downs, We being Indians, it is our prime duty to help the ignorant ones and to realise problems like illiteracy and communalisms, The young generation is easily shadowed by westernisation and ends up forgetting the rich cultural heritage of our country.

When a child fails to redeem his/her honour; he/she might either become aggressive or turn introvert and therefore proper psychiatric treatment and counselling is needed to be given by the teachers and the parents whether at home or at the school level, The teachers should be confident of their subject teaching and they should take up teaching as a profession with full devotion and dedication in order to impart proper education in true sense of the term. I strongly support Mr. Shiva Khera's slogan "Educating the MIND without MORALS creates a MANIAC in the society". Hence, a great effort is needed for the upliftment of the all round development of a student. "Time and tide waits for none", keeping this in view, we should try to procure the best and forget the rest.

S. Chandra
(Chairman)

Message From The Chief Executive Director

India has made rapid stride into 21 st. Century and has progressed as a nation from strength to strength in almost every aspect. With its rich blend of traditional values and cultural heritage and the modernity brought in by cross cultural integration of the global village, India is on a fascinating threshold for striking the right balance.

The world is fast moving towards knowledge based society with free flow of information enabled by ever evolving communication and computing system. Technology has become indispensable even in our day to day life.

The dynamics of the society today has changed dramatically and hence requires great deal of imagination, creativity, multiple skills, International mindedness, quick wittedness, an inherent power of anticipation and decision making to enable individuals to succeed in the global competitive scenario.

A School today is entrusted with responsibility to expose children to the education system which is in tune with its time and also to hone their academic, mental, physical and emotional strength for their holistic development.

We at St. Xavier's are committed to help our students to master the expanding horizons of technology, develop self awareness, academic excellence and global perspective, as also to become the repository of a deep commitment to Moral Values, Indian ethos and culture, so as to transform them into a true global citizen and to even better human being.

Sandeep Kumar

Director's Perspective

Welcome to St. Xavier's a school with a difference, Here your child will experience a homely environment, warmth and individual care that will undoubtedly tap their inherent potential, that exists in every individual. Leafing through this brochure will you will get a glimpse and feel about the school.

Our strength lies in providing well planned teaching methodology, small class. strength to ensure personalized attention and a host of curricular co-curricular activities. To prepare our students to face the challenges of a global future, due stress is laid on acquiring a range of skills, coupled with a strong ethical base of truth and honesty, integrity, sincerity, tolerance and respect for other's responsibility. I look forward to having your child with us and assure you that you will find your association with us a rewarding experience.

Abhishek Aditya
(Director)

Education is not preparation for life,
Education is life itself.

Infrastructure & Facilities

- Big and magnificent school building with playgrounds and swimming pool within its campus.
- Safe and secure school campus with security guards, CCTV cameras, Hi-Tech Access Systems and Building Management System.
- Earthquake resistant structure, latest fire-fighting equipments, smoke detectors and digital sound broadcast system.
- Thoughtfully planned, age appropriate bright and airy classrooms with most comfortable school furniture.
- Optimum use of technology with use of latest digital boards and projectors in each classrooms.
- Separate hygienic toilets for girls and boys and filtered drinking water facilities.
- Full time housekeeping staff to ensure cleanliness and hygiene within the campus.
- Well stocked modern library.
- Audio visual theatre.
- Indoor sports area for indoor games such as Table Tennis, Carrom, Chess, Billiards etc.
- Sick Bay.
- Fleet of self owned school buses.
- Well planned Play Station for kids.
- The school has a unique amphitheatre with large performance stage surrounded by ascending seats. The Annual concert, Inter-house competitions, music recital etc. are hosted in the Amphitheatre.

St. Xavier's School maintains one of the most modern facilities of learning & extra curricular activities. No stone has been left unturned in creating an environment in which students seek excellence academically, socially and physically.

Moral Education

In order to develop moral sense among students, moral education is imparted to them by celebrating different functions and festivals. Singing hymns and prayers is a daily routine of the school. Every effort is made for their moral and spiritual progress.

Evaluation and Report

The school follows a system of continuous evaluation. There is a pattern of monthly tests as well as terminal tests like half yearly and annual exams.

At the end of each term a report card is also sent to parents.

Promotions

Promotion to next class is done at the end of the session in accordance with the promotion policy finalized by the examination committee.

Career Counseling

A career counseling cell exists in the school to advise the students in the selection of study course and career.

Curriculum

The following subjects activities are included in school curriculum-

Environmental studies, General Knowledge, English, Hindi, Maths, Sanskrit, Science, Moral Education, Music, Dance, Indoor-Outdoor Games, Computer, Art & Craft.

Admission

Depending upon the vacancies, admission for play-way to class IX & XI is granted on the basis of an admission test/interview or both for the new session commencing every April of the year.

Laboratory

It is imperative for schools to have the latest and high quality laboratories to hone the reasoning and thinking skills of the children. We are having well equipped laboratories for our children which is in accordance with the specifications and standards of international examination boards. To observe and understand the concept better our school combines classroom teaching with laboratory experiments and thus ensure that the students grasp each and every concept thoroughly under the supervision of trained teachers and lab assistants.

Library

We hope that libraries will always exist as places for learners to find information, resources, services and instruction. But formats, technologies, learning needs and our school are evolving. And so are students themselves. Our entire information and communication landscapes have shifted and this shift will only continue.

Smart Classroom

- Interactivity is a great feature that enhances the interest level of the students in their class leading to more number of hands raised to give answer.
- Future Class is not only about the content for the classrooms but also a complete concept to enable the classroom with future savvy tools and to assist the teacher in adopting better teaching practices using visual aids, practical in-depth exposure and capture the imaginations through live activities and discussion.
- The School has installed Extramarks contains a comprehensive curriculum of guided learning sequences that include applet activities, multimedia presentations, practice exercises, and games.
- The technology-rich platform uses a one-to-one computing environment to best advantage.
- It facilitates large group presentations, small-group projects and individualized practice and assessment.
- The pedagogy of the curriculum is designed using principles of guided social constructivism and provides the support for a true transformation of teaching and learning.
- Highly graphic multimedia tools engage students and facilitate teaching and learning of the basic skills and the 21st century skills.

Chemistry Lab

WELL EQUIPPED AND SYSTEMATICALLY ARRANGED.

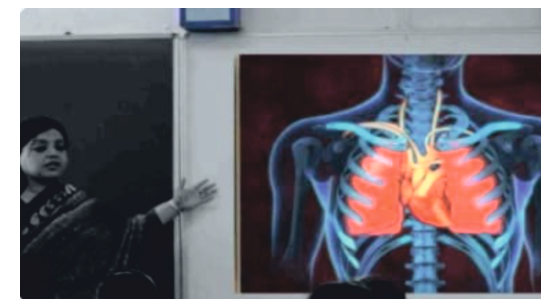

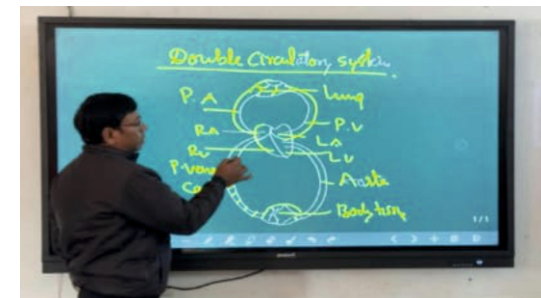

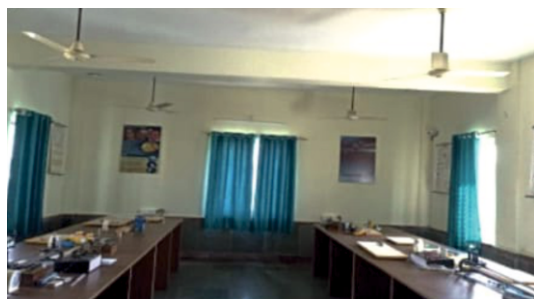

Biology Lab

WELL RESOURCED, VENTILATED AND SPACIOUS

Physics Lab

WELL FURNISHED & WELL EQUIPPED WITH VARIETY OF APPARATUS.

School Uniform

Student must wear prescribed School uniform every day. The student without proper School uniform shall not be allowed to attend classes. For wing-wise and season-wise uniform of the students, parents are required to contact the School office.

Sports

At St. Xavier's School we believe in extending education beyond the confines of the classroom and in the holistic development of our students.

We cultivate values of team spirit, discipline and healthy competition through a variety of sports activities including cricket, basketball, volleyball, kho-kho, athletics, etc and develop creativity, strategic thinking and problem solving skills through chess, carom, table tennis and badminton.

sports play a major role in the physical as well as all round development of children that's why we stress extra curricular activities in school routine. We also encourage our students to achieve extra-curricular recognition through participation in many Divisional, State and National tournaments.

Guidelines For Parents

- Closely monitor your ward's progress by checking the school diary everyday paying atteneion to his/her punctuality, discipline and submission of school assignments.
- Encourage your ward to take a balanced interest in studies, co-curricular activities and sports and provide a supportive value-based environment to him/her at home.
- Ensure that your ward comes to school in clean and proper school uniform.
- Inform the school if there is any change in your address, telephone number etc.
- Encourage conversation in English to improve fluency in speaking.
- Discourage your ward from taking unsactioned leave. If taken in emergency." Leave Absence Record" in the school diary should be duly filled.

Parents-Teacher Partnership

Parents play the most important role in helping their children learn. When parents are involved in their children's education in positive ways, the children achieve higher grades and test scores, have better attendance at school, complete more home works and demonstrate more positive attitudes and behaviour. By working in partnership with teachers, parents can make a real difference in their child's experience at school.
